THE BIBLE FOR DUMMIES

Last Things First

February 7, 2021

ICE-BREAKER...

If you were to perform in the circus, what would you do?

GROUP DISCUSSION...

1. How were you introduced to the Bible? How do you feel about the Bible today?
2. Is there anything about the Bible or stories in the Bible that you wrestle with?
3. We think of the Bible as one book, but it actually consists of many letters written by many authors, including eyewitnesses. Does that match what you were first taught about the Bible? Does it change your understanding now?
4. **READ Luke 1:1-3.** Luke was a first-century Greek doctor. How do you think his background affects his account of Jesus' life and influence?
5. Pastor Josh explained that the documents that make up the Bible survived through violent and tumultuous centuries because of early Christians' confidence in their authenticity and authority. How does this change your approach to or confidence in the Bible?

REMIND YOURSELF DAILY...

Luke documented the Life of Jesus because THE STORY OF JESUS DIDN'T END ON A ROMAN CROSS! If the Story had Ended ON THE CROSS... THERE WOULD BE NO STORY!

VERSE OF REFLECTION...

For the word of God is alive and active. Sharper than any double-edged sword, it penetrates even to dividing soul and spirit, joints and marrow; it judges the thoughts and attitudes of the heart. – Hebrews 4:12
